

St Margaret's Church of England Primary School

Supplementary Form: Pupil Premium Priority

Admission Authorities are allowed to give priority in admissions to pupils attracting the service premium.

St Margaret's CofE Primary School prioritise the following children under criterion e;

- Children eligible for the Service Premium

This is defined as children whose parent(s) are serving in the regular UK armed forces.

If more pupils apply to the school than there are places available, we (the school) will give priority to the above category of children under the 'Service Premium criterion' within our admission arrangements. If we have enough places, every child will be admitted. If we don't have enough places, we will apply the tie-break within our admission arrangements.

If you think that your child falls into one of this category, please tick the relevant box below.

Category 1: My child is eligible to be registered for Service Premium Funding as his/her parent(s) are serving in the regular UK armed forces as of the application closing date.

If parents are separated or divorced, in order to qualify under this criterion the parent in the services must be the prime carer of the child.

Evidence required;

This must be provided with the SIF and be received by the school by the closing deadline for primary admissions. For in year admissions it must be submitted directly to the school alongside an in year application form and the SIF.

Any documentary evidence from your regiment/unit confirming one or more parents are a currently serving member of the regular UK armed forces. If parents are separated or divorced, evidence should be supplied to show that the prime carer for the child is serving in the military.
