23 March 2020

Dear Parents and Carers,

During this difficult time, I wanted to reassure you that the care and education of the children at St Margaret's school is our priority. As Governors we want you to feel reassured that we will do all we can to support you and your family through this difficult time.

The school closed at the end of the school day on Friday for an indefinite period. I know Ms Robinson and the teachers will provide work for your children so they can continue to learn whilst at home.

Please refer to Ms Robinson's letter regarding key workers and only if you are a key worker and there is absolutely no alternative should your child attend school.

I cannot emphasise enough that you should keep your children at home wherever possible. However, whether the children are at home or in school they remain very important to us as Governors. You as parents and carers of the children are also part of the St Margaret's family and families support each other. As Governors we will do all we can to support you through this.

Now we all need to look after ourselves and each other. Caring for one another is what the St Margaret's family do best. I know that this situation will be no exception.

Take care and keep safe.

Best wishes

Janet Young
