

Literacy week beginning 21st September

Monday: read through your book and find words that you can sort into the different columns.

nouns	verbs	pronouns	adjectives	adverbs	prepositions	modal verbs

Tuesday: think about the villain in your story. Design a wanted poster for them

Wednesday: I would like you to write an advert in order to get a brave hero to rescue everyone from the villain in your story. You will need to include persuasive language. You will need to make the advert appealing to potential candidates, have the attributes that they need to have and any reward that you can give.

Thursday: Go back over the advert that you wrote yesterday and edit your work – have you used the best words – are there better vocabulary choices that you could include.

Friday: Write a character description about the main character in your book. What impression have you got of them so far – what evidence can you use from the text to support this.
